Use of Cookies:

<A cookie is a piece of software code that an internet web site sends to your browser when you access information at that site. A cookie is stored as a simple text file on your computer or mobile device by a website's server and only that server will be able to retrieve or read the contents of that cookie. Cookies let you navigate between pages efficiently as they store your preferences, and generally improve your experience of a website.>

We are using following types of cookies in our site:

- Analytics cookies for anonymously remembering your computer or mobile device when you visit our website to keep track of browsing patterns.
- Service cookies for helping us to make our website work efficiently, remembering your registration and login details, settings preferences, and keeping track of the pages you view.
- Non-persistent cookies a.k.a per-session cookies. Per-session cookies serve technical purposes, like providing seamless navigation through this website. These cookies do not collect personal information on users and they are deleted as soon as you leave our website. The cookies do not permanently record data and they are not stored on your computer's hard drive. The cookies are stored in memory and are only available during an active browser session. Again, once you close your browser, the cookie disappears.>

<You may note additionally that when you visit sections of where you are prompted to log in, or which are customizable, you may be required to accept cookies. If you choose to have your browser refuse cookies, it is possible that some sections of our web site may not function properly.>
